Hi Kelly, attached are our slides for the Employment Benefits session.
The last 3 slides have been added to the original draft provided and the cover page has been amended.
I have copied Carl so he can consider in the development of his slides.
Thanks very much

Subject: Presentations for Comptrollers' Conference
Importance: High

Good afternoon,

I've just been advised that all presentations must be provided to our conference interpreters (for simultaneous interpretation) by July 14, in both English and French. In order to have time for translation on my end, I'll need your presentations by this Friday, July 7th, at the latest.

Could you please confirm that I will receive them by this date?

Thanks very much,
Kelly
