Hi both,

Question #1 in the e-binder was out of date. Updated version attached, where the deputy will hand off to you Cindy instead of Karen. This is in response to Karen's previous comments about not being the right person to speak about PSAS.

Let me know if any questions

Thanks
Sarah

Hi Patrick & Sarah,

See attached for the updated (close-to-final) SCOPA e-binder. Materials that have been updated are highlighted below.

We've shared the note with our counterparts that some materials are draft, and may be subject to change in the coming days.

Patrick – note that most of Karen's edits have been made, and areas where we're still waiting for final changes are highlighted.

Sarah – we look forward to Cindy's additional changes in the coming days, and have indicated where we're still waiting for final OPCD feedback at the footer of the relevant document.

Thanks very much to both of you for facilitating feedback on the many products in good time – it's appreciated.

Best,
