Hi Cindy,

I reworked the notes – Karen felt they were heavy technically, and the options to direct or legislate were not “real” solutions – agreed. The essence of the pension note is that dialogue would need to occur with OTF (referenced “show me the letter”) and for the MA/FHP, it comes down to program re-design by ENE.

Let me know if you want to discuss – it did come up if we this would go forward Thurs but need to circle back with Raj to confirm.

Thanks,
Mark
