I've reviewed and added my edits. I have one comment where I've noted we need to confirm something with Martin from Deloitte and will contact him this morning.

Please let me know if you have any questions on my comments/suggested edits or if you would like to discuss.

Thanks ,

Cindy

Hi Len.
Please find attached my feedback on the draft doc. In terms of overall approach, looks great to me. Please note that any comments from Cindy should supersede mine where appropriate.
Thanks to you and your team (and others) for tackling this critical item in real time.
I'll be off line for most of the afternoon (heading to Waterloo to visit my daughter),but if you need to reach me, please feel free to call me at 416 562 8509.
Take care and thanks again.
Nadine

Subject: Fw: draft opinion

Hi
Attached is a draft opinion. As you will note, it requires opcd input/feedback. Please advise in this regard. Secondly please let us know of any comments re overall approach.

The draft is subject to change as it still requires review by the higher levels in MAG, but given the short timeframes, we wanted to get this to you now so that we can hopefully have an approved product to discuss for the 5 pm call.

Thanks
