Hi Joe –

This is Mark's bailiwick. I've chatted with him, things are well underway and he's going to check in with Cindy since they've had some back and forth between on the product.

This is not something that's going to be added to the agenda for tomorrow's DM discussion.

Thanks for following up.

P.

Patrick,

At the meeting with Karen just now, she mentioned an OPCD product about "accounting". Could you tell me a little bit more about what that is? Has there been a draft provided already? Plus, is this going to be added as an agenda item to tomorrow's DM briefing?

Thanks!

Joe
