Hi Cindy

Updated materials attached that address your comments.

I confirmed with Comms that the impact to net debt/GDP wasn't included in the initial draft in order to keep the main text of the news release more high-level and simplified. They will be confirming the balancing statements, and other relevant statements with MOF.

In interest of time, I'm going to send these to Patrick for Karen's review, but if you have any additional edits, happy to take them.

Thanks
Sarah
