Subject: Key elements of EBO Report for ENE

Good afternoon James,

Attached are MOF/TBS's current set of key messages and a few excerpts from the FAO's Spring 2018 Economic and Budget Outlook report that relate to OFHP.

The FAO is doing a news conference at 10AM. MOF/TBS are leading.

MOF hasn't see any mention of the interest rate differential in the report coming out tomorrow, but it may come up during the media conference.

Best,
Michael
