Hi,

MO has requested that the following copies (English and French) be delivered to GHLO by 8am tomorrow.

Carolyn/Peter, does Leg Counsel usually prepare these for delivery to GHLO? I'm available to assist if required.

Let me know,

Jeet

David,

Are we ok to share this draft bill with CO? They've asked for it.

Also, could you let us know how/when the decision to go forward with this bill is being made. The LDC letters have been sent out and responses being directed to Mike Smith – at what point do we decide we're going ahead with the new draft bill?

Leg Counsel has confirmed they can deliver the bill to GHLO tomorrow morning pending final go ahead. CO has informed us that materials will be needed for 9am.

If you could get back to me soon, that would be appreciated.

Thanks,

Jeet

Hey Keley,

Thank you for this. MO was wondering what legal would think of a more descriptive title.

Specifically, how about the "Protecting Electricity Consumers Act, 2017"?
