Somewhat unrelated question that you may know the answer to off-hand, or we can track it on issues list. As part of the IESO selling the regulatory asset to the trust, IESO will be paid a purchase price. Will this be taxable?

Michael,

One thing Les brought up which may change the process is how the Trust recognizes income on a monthly basis. I still need to work that out and see if it changes anything.

Matt and Les,

Further to our call this morning, attached are the IESO's changes to the operational process document. We made the changes to the Option 1 version but they can be adopted to whatever version is ultimately pursued.

Regards,
Michael
