

# Agenda Item - Summary

**Date of Meeting:** April 11, 2017

**Agenda Item:** Ontario's Fair Hydro Plan

**Nature of Issue:**<sup>1</sup> Be recognized as a trusted advisor, informed by engagement

**Executive Summary:** On March 7, 2017 the Ministry of Energy announced Ontario's Fair Hydro Plan (OFHP) - starting this summer, electricity bills will be reduced by 25% on average for households across Ontario. Bills won't increase beyond rate of inflation for four years thereafter.

The IESO has been asked to support this initiative through providing a treasury role in the global adjustment deferral asset to be transferred to OPG and settling the remaining program components of the OFHP.

**Significant Issues:**<sup>2</sup> .what risks should we identify

**Decision being Sought:** None

**Attachments:** Presentation

---

<sup>1</sup> Consider whether this agenda item supports the IESO's core business and/or a strategic goal. If selecting a strategic goal, consideration should also be given to the underlying strategic objective supported.

- IESO core business activity
- Deliver superior reliability performance in a changing environment
- Drive to a more efficient and sustainable marketplace
- Be recognized as a trusted advisor, informed by engagement
- Invest in our people and processes to meet the needs of the sector

<sup>2</sup> Consider contentious issues and significant risks.
