Thank you, Anthony. I've responded to your comments in the attached. Let me know if you would like to discuss, and if you would like to join us on the 4pm call. I don't anticipate the call will take more than an hour. I'll flip you the Stikeman's invite just in case you want to join, but I will leave that up to you.

Michael

Hi Kim and Michel,

Attached are our proposed revisions to the draft legislation. This has not yet been sent to the Ministry and we are hoping we can have KPMG's view from an accounting perspective by tomorrow mid afternoon. We would like to send our comments to the Ministry et al by 5pm tomorrow afternoon.

We will also send a plain language summary of the provisions that relate to the regulatory asset shortly.

Regards,
Michael

Just a heads up we will be getting suggested edits from lawyers tonight for review prior to sending to ministry Sunday. We need Kpmg comments or issues by Sunday. Thanks.
