Thank you, Peter. I like your further changes. I've added a few additional edits to the clean version you sent using Word track changes. There are also a few comment bubbles asking whether references to secured party should be deleted, consistent with the one deletion we made yesterday.

Still no word from Michel. I have emailed Kim to ask whether he responded at all to say he would look at the draft.

I have duped the document from yesterday and made further (for the most part minor) changes, all of which are marked.
