Confidential/Solicitor & Client Privileged

May 23, 2017

Hi, Michael. Thank you for your comments on the last version. They have not been integrated into this version, I'm afraid – we'll consider amongst the other comments we're receiving but they are very much appreciated.

Please see attached an updated version of the consultation draft of the proposed Government Motions.

Note: this package does not include the final approach (still being worked on) regarding section 20. We shall send out that material separately as soon as possible.

Please do send us any further comments you have on these motions, as soon as possible.

Best regards,

James
