Anthony,

Just following up on progress on this. Rayhan is available to support as well. I am hoping to have a draft for Kim to review when she gets back. I will also be including input from Susan.

Thanks in advance,
Lia

Hi Anthony,

Attached is the Fair Hydro memo and risk register that we discussed with Kim.

The next steps in preparation for the July 25th Board call include updating the memo and risk register for actions taken since the memo was drafted. If you could please put in your comments in a different colour or font, that would be really helpful.

Also, on the quantification of risk issue, if you could provide some brief wording about the credit facility we have in place?

I am out of the office tomorrow and Friday, so I am hoping to leave this with you and maybe reconnect on Monday to discuss anything outstanding and then I will take it from there.

Thank you in advance for your help with this.

Lia
