Subject: FW: timing on invoices with FHP

Why is this so difficult for her to understand? I have sent PowerPoint presentation with the dates, regulation is clear etc.. Why is she quoting March RRRP and not May? Am I missing something or being unreasonable. This boggles me as she has access to the Market books!

Subject: timing on invoices with FHP

Hi, quick question:

What is the invoice timing for the following FHP programs (will it be \$nil balance in the month or is there a timing difference):

- 1) New RRRP – 3 programs – 2 through provincial revenues and one with new OEB rate.
- 2) New First Nations On-Reserve Delivery Credit – funded through provincial revenues
