Subject: RE: OEB RPP Variance Report - June 2017
Attachments: Final Variance Settlement Factor Calculation_2017-06-30_revised2.xlsx

Hello,

Please find attached a revised version of the OEB RPP variance report for June. I do apologize the version issued on Friday did not include the RPP for the Ontario Fair Hydro Plan which began settlements for the month of June.

In addition, I am of the understanding that the OEB has been in conversation with our Director of Settlements who has been informed that the OEB no longer requires the RPP factor. Please let us know, going forward, if this monthly OEB RPP Variance report is required?

Thanks,
