IESO will give formal notice on Aug 17 for the funds to be deposited on Aug 21.
I do not know the exact amount as of yet.
Regards.

Good morning Anthony,

Thank you for the detailed figures, it has helped tremendously.

Exactly, when will you require the new \$250 million to be advanced?

Thanks,

Will

William,

1.
As of July 26, we have OFA credit o/s of:
1. RPP (Fair Hydro) amount o/s = \$246.5 million
 2. RRRP amount o/s = \$6.6 million

2.
Assuming August is \$250 million this will increase the RPP (Fair Hydro) amount to = \$496.5 million.

Plus any RRRP or other credit needs that may result during August.

3.
The transfer of the RPP (Fair Hydro) amounts to the "Financing Entity" is now expected to occur sometime during Sept/Oct.
For forecasting, you can assume \$200-\$250 million per month added to the RPP (Fair Hydro) balance.

Regards

Subject: IESO - Credit facility balances/requirements

Hi Anthony,

I trying to understand your drawing requirements.

Question regarding the email below and amounts needed for mid-August.
Currently, under the existing credit facility of \$975 million a balance of combined balance of:

1.
RRRP: July 21 – Repayment Date Aug 21 - \$2,231,912.78
RPP: July 21, Repayment Date Aug 21 - \$136,581,867.69 or \$138,813,780.47

I don't see the requirements of \$260 million?

2. In mid-August if you add another \$200-\$250 million, what will be the new balance?
3. Can you explain the sale of the Financing Entity made in May, June, July that you expect in August?

Call me if it's easier for you. 416-325-8090.

Will
