On the Class B page of our web pages;

Global Adjustment Modifier

Under the Ontario Fair Hydro Plan Regulation, the OEB sets an amount – the GA Modifier – that electricity distributors and others will apply to reduce the GA payable by eligible customers on electricity consumed between July 1, 2017 and April 30, 2018. The GA Modifier is set at -\$32.90 per MWh. For more information on Global Adjustment Modifier, see [OEB report](#).
