Subject: FW: Posting of Description of IESO's Role in Administering Variance Acct under FHP

Will you be providing the outstanding number?

I am missing the interest value but it should be the \$247 + this month' RPP + non-RPP deferral amounts. Would you be in a position to provide soon?

Regards,

When we have the numbers, the following is the table that we will post on to Class B Global Adjustment and Power Data/Price Overview/Global Adjustment under the GA Modifier paragraph. As discussed, Jeannette, please confirm that we will have to add an asterisk to the July amount to indicate it includes balance in the account prior to July 1, 2017.

The following table presents the monthly deferred GA amounts, under the Fair Hydro Plan.

Table title: Variance Account under Ontario's Fair Hydro Plan (in millions of dollars)

July	Aug	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr

Thanks,
Sandy

Hi Jeannette – Just checking in on the FHP variance amount. Are we on track to post it this week? Let me know if we're running into any delays with the number.

Thanks,
Kate

We will have the July's balance available in about two weeks. Just so you have an idea of the magnitude, as of June the balance in the variance account was \$247M which did not have the July 1 new rate or modifier applied. I suspect the deferral amount will be about \$500M for July.

As of	OFH/RPP Variance (in millions)
31-May-17	\$110
31-Jun-17	\$247

The description of the IESO's role in administering the variance account under Fair Hydro Plan has been posted to Settlement Process page: <http://www.ieso.ca/en/sector-participants/settlements/settlement-process>

A table reflecting the monthly amounts will be posted to a table (sometime after 10th business day of the month) to Class B Global Adjustment and Power Data/Price Overview/Global Adjustment under the GA Modifier paragraph.

Please advise if changes are required.

Thanks,
Sandy
