Subject: RE: IESO FHP Credit Facility Agreement and Amending Agreement 10

Will,

As a business/commercial item (not a legal item), I would like to discuss the following.

The current $975M facility's Election Notice is different that the proposed $2B facility's Election Notice.

When the IESO currently borrows on the $975M, the practice has been that the Election Notice is used to capture all pertinent info needed. But my understanding of the proposed $2B forms are that the IESO would need to supply both a) Election Notice (e.g. rollover amounts) and b) Borrowing Notice (e.g. any new principal) each month.

Call me to discuss, as I think there may be some room to make this more efficient for both the IESO and OPA.

Regards.
