My apologies, I meant to communicate our expectations on timing:

Timing for comments from IESO: Having your comments by tomorrow at 2:00 pm (if that is possible) would be most appreciated. We apologize for the tight timelines and thank you for your continued assistance with the review of these drafts.

Thank you!

James

Good day, Michael. We are pleased to attach the updated draft proposals for amendments to O. Reg. 429/04 (Adjustments Re: Section 25.33 of the *Electricity Act, 1998*) and O. Reg. 206/17 (General) made under the *Ontario Fair Hydro Plan Act, 2017*. We appreciated the comments you provided to the Ministry and have taken on those that we felt were supportable by the legislation.

Please note: the draft which is ultimately produced by the office of legislative counsel may vary from the attached due to drafting protocols.

Best,

James
