Subject: OPG - IESO: debrief call #2

Based on the good call last week, we propose a 1 hr status call-meeting between IESO and OPG to provide a status update on the key outstanding Fair Hydro program matters.

Let me know if next Tues or Wed at 11am works for all – or suggest other times.

Also, below is our listing of key outstanding items that we should discuss on the call.

- OPG's project schedule working back from first transfer, including milestones listing key tasks/actions that rely upon IESO to complete for OPG;
- MTSA:
 - OPG to provide MTSA edits on IESO's draft;
 - OPG / IESO to discuss IESO letter of credit status – following up on IESO's email that the letter of credit is likely to be smaller than proposed;
 - OPG / IESO to discuss CEA reporting/remitting – following up on IESO's email that the CEA timeline in the MTSA needs to be edited;
 - requested security for IESO payments during moratorium;
- OPG trust entity needs to register with IESO as program participant;
- discuss the IESO's intercept letter from OFA;
- status on KPMG acctg and E&Y acctg issues – if any;
- new regulations on 4 year moratorium costs and IESO providing letter of credit status;

Regards.
