Hi, Mike – we don't actually have an updated draft to send just yet – Dan's "Fees" reg is being folded into the amendments you and I were pouring over. The proposed changes to s.5(1) 2 ii would appear in that combined version.

The proposal was just to add the phrase "...and carrying costs" to the end of existing sub-para 5(1) 2 ii.

We should be able to send out an updated consultation draft once we get our draft back from Leg. Counsel.

Thanks, and happy to chat if that helps.

Best,
James

Hi James,

Thanks for your message. Can you send me the current form of proposed amending reg for the FH general regulation? I didn't quite follow the changes to carrying costs you described, and it is relevant to the master transfer and servicing agreement we are negotiating with OPG.

Thank you
Michael
