Subject: Ontario Fair Hydro Plan - New Risks Requiring Assessment
Attachments: Ontario Fair Hydro Plan - New Risks Nov 6.xlsx

Importance: High

All,

5 new risks were identified during yesterday's session to review the OFHP risks.

Given that the board meeting to discuss OFHP is taking place on November 22nd, I will need time to compile and prepare the information for the ELT by the end of the week so it's imperative that I have your results back quickly. Please complete your assessment of these risks and return to me by **EOD Nov 8th**.

I'm sure the board will focus attention on the risks and ask questions so please review the instructions tab before completing and don't hesitate to contact me if you have any questions regarding the assessment.

Thank you,

Alexander De Angelis | Manager, Enterprise Risk & Corporate Performance
