Hi Anthony,

I think the steps we would take to allow it, if at all, could be quite onerous and time-consuming. Are there any specific concern they have that we should be able to address without actually letting them see the agreement?

John

John, William,

TD Bank has asked to review the \$2B Fair Hydro credit facility executed between IESO and OFA.

TD wants to gain comfort (themselves) that the credit facility is going to support the IESO's fair hydro transactions during the next 4 years.

I have verbally assured them of the above, but they wish to review themselves.

Let me know if I may share and TD will treat the document as confidential.

Regards.
