Anthony, can you check with May whether the officer cert for the transfer will be sufficient?

Since we are completing a transfer on March 22, IESO will be providing an officer certificate as part of closing the transfer saying there is no Servicer Default. I wonder if that would suffice?

Kim, Michael

Kim as an authorized signing officer for FH program, can I direct OPG to you for confirmation that there are no defaults?

Any other comments from the cc group?

Michael - Should I request OPG draft a formal letter or document for Kim's signature or does the IESO create one.

Regards.

Subject: Confirmation - IESO Servicer Default section

Hi Anthony,

We're working on one of our reporting requirements per section 13.10 of the MTI due to the MOE on March 31, 2018 for the 2017 year and there's a cross reference back to section 7.1 Servicer Default in the MTSA. To complete our due diligence process for this annual certification, we wanted to get IESO's confirmation that there were no servicer default as described in the excerpt of the MTSA below. John noted your name but if you feel you're not the appropriate person to address this, pls let me know and I can re-route the request.

I am off tomorrow but back on Friday, in case you are trying to get a hold of me.

Thank you in advance!
