The IESO can hold/warehouse the FH \$ at a cheaper cost than FHT's warehouse.

Yes.
Each transfer (only 2 thus far) is the same process with the same / many docs, plus many opinions (IESO & Stikeman's) etc.

Do you need another one for the next transfer?

Clara,

Attached is the complete direction, with IESO signature page attached, to be held in escrow as mentioned below.

I will forward the fully compiled certificate to support Stikeman's opinion hopefully tonight or early tomorrow morning.

Michael

Just to confirm – based on the attachment looks like the signature page of the Global Direction is attached. Are you missing a signature other than Kim's?

Hi Clara,

Attached are the signature pages for the documents to be held in escrow on the basis described in your email below. I haven't had a chance to compile the signatures with the final form of the one certificate and the direction yet, but will try to get that to you for first thing tomorrow morning.

Regards,

Michael

Michael

I left you a voicemail. We hope to send a note to all with closing mechanics details- should be a simplified version of what happened in December where everyone confirmed wire transfers etc. by email.

Can I get the copies of the signed documents mentioned below today to be held in escrow until the CPs are satisfied tomorrow and you confirm release? Please let me know.

Hi Clara,

The form of IESO's officer certificates and the form of Stikeman Elliott's opinion have been signed off as between Stikemans and Torys. We have also obtained executed IESO signature pages for the two certificates, and the direction and receipt. Can you please let me know mechanics for the closing tomorrow and timing?

Thank you
Michael

Good morning Michael

I attach the closing agenda for the March 22 Transfer. I would ask you to forward it to your counsel at Stikeman (for whom I don't have contact details.)

Please let me know if you have any questions.
