Subject: Meeting with AMPCO - LTEP Submission
Importance: High

Hi everyone,

Next Monday AMPCO will brief the internal LTEP WG on their LTEP submission. AMPCO President Colin Anderson and Chair Mark Passi will be in attendance, as well as perhaps others from the AMPCO board. The meeting will take place at IESO Adelaide offices, in room 1806. A room has also been booked at Clarkson to [REDACTED]

The intent is to discuss measures in the attached that AMPCO members believe could be beneficial to help address electricity price sensitivity and to drive further cost savings in the system. AMPCO is also preparing additional thoughts for consideration on program recommendations for large industrial stakeholders in the province.

Please let me know if you are interested in attending.

Thank you,
Anthy
