Subject: RE: President's Report

All – other than the items below, are there any further topics you think would be suited to the President's Report to the Board?

Thanks,
David

Subject: President's Report

Hi Jordan –

Should we will include all of the below items as part of the President's Report to the Board?: - I'm wondering in particular whether we should remove the NUG item? Should I also update Green Bank to state "Green ON"? And is Newfoundland still part of the electricity trade discussions with the Ministry? Perhaps we should also add the ITC item?

Thanks,
Reena
