Thanks Anthy. This looks good. I just provided Bashir with a couple of minor comments which he will incorporate into the deck.

Importance: High

All,

Attached for your review is the first draft of the June Board deck for the "LTEP update" item. I've combined Planning's update with mine, so formatting fixes may still be required.

I understand that this will go to ELT on Thursday for discussion and materials are due end of day today to Lorraine. If additional time is needed to review, please let me know.

Thank you,
Anthy
