Bruce – please find attached the draft speaking notes regarding the accounting standard change to Public Sector Accounting Board standards. The information is laid out in sequential order as per your request and uses layman terminology where possible given the topic.

I have vetted this information with both Matt Betik at KPMG and Linda Byron at AON and am happy to answer/clarify any questions you have.

In addition, Matt has offered his assistance if you would like a “prep” session either the afternoon of Nov 14th or the morning of Nov 15th.

Thanks, Susan
