Good morning,,

We now have updated materials from those provided yesterday evening. Please see attached for the latest versions to be used at today's meeting.

I am also attaching the IESO's latest Q&A, although these aren't to be reviewed at today's meeting.

Cheers,

Jordan

Good evening,

Please find attached the material to be reviewed at tomorrow morning's briefing.

While originally proposed as a meeting to review the IESO's latest analysis, the purpose has broadened to be a final regroup in advance of the announcement on Tuesday.

Regards,

Jordan
