Hi James,

You can bring your presentation on USB. I will set up a laptop.

Do you have any more specifics, or a link to "downstream reimbursement" – this isn't my area and so I am not familiar with the process.

Thank you, Steve

Steve

Two questions:

1. Can I bring my presentation on a memory stick?
2. Will you be able to direct me to someone within IESO about the "Downstream Reimbursement" process? This is in regards to the 8% Rebate as a result of the Fair Hydro Plan?

I think it was you and Terry Young - that said, please pass it along as we should have someone from the IESO.

Hi James, could you please let me know who else at IESO received an invitation to the open house? Unfortunately I will be away at that time, but I want to make sure the invite is extended appropriately. Thanks, Steve
