Georgia,

You mentioned Kim wanted to see the memos at 10am. These are the materials going to the Audit Committee along with the AIS documents sent on Friday.

I spoke with the FP&A team to ensure the existing memos are the most recent, I have removed the memos related to CPM and risk and I have included an updated version of the business plan update memo.

The only additional document you will need to add is the latest Audit Committee agenda if necessary as it was included in this attachment but obviously reflected a now outdated version.

Also, please double check the item numbers as I am not sure if they changed after the agenda was updated.

I am going to give Kim a call now to discuss the business plan update memo.

Thanks,

Alexander

Lorraine,
Attached please find the draft Audit Committee agenda – I followed the numbering/titles of the agenda items, to hopefully make it clearer to organize.

Please let me know if you need anything else.

Thanks,

Lia
