Subject: IESO bill presentment exemption Reg 196/17
Attachments: Billing Requirements under Ontario Regulations 364_16.pdf; Letter to Minister re Fair Hydro invoice requirement D02.docx; Billing Requirements under Ontario Regulation 196_17.docx

Kim, following on a similar process and rationale for the exemption given for OREC bill presentment (as attached), I've attached the letter to the Ministry (from you) to request an exemption from the Minister according to section 3 of [Reg 196/17](#). I've spoken to Ministry staff and they've advised that a "no added language" approach is justified and they requested that we draft the Minister's response (draft attached, FYI). Once signed, I'll facilitate with the Ministry. As you know, we require a letter back from the Minister by early August.

Many thanks,
David
