>> I think they still need to answer the question we discussed-I think it's better than it was.

>> For example, "Regulations" is defined as:
>> [cid:image003.jpg@01D35738.05DA6420]

>> What would happen if the regulation were changed/amended or replaced and the Regulation was no longer Regulation 2016/17? Would they still be bound by what the original 206/17 said? This comes up often in accounting (particularly covenants), where one accounting standard is replaced by another but the original agreement refers to the superseded standard. Entities in this instance need to get their bank to change the covenant or else they have to continue to apply the superseded standard.
