Subject: RE: CS Meeting - Draft Agenda

I think an update on the Board's focus areas would be good and any update on Corporate Strategy as well.

I really like the attached document and might steal it for my team as well.

Thanks,

I really like the Anthony's board suggestions. I remember Richard Z was amazed by his discussion with Chris Henderson at the Christmas get together as Richard had no idea how important employee engagement (and the lack thereof as Chris indicated) was to the board and aligns with why we need to focus on employee engagement in 2018. So a broad discussion on what is important to the board would be welcomed.

As an unrelated item to the agenda, my supervisors have put the attached to together on meeting best practices – I think it is a good reminder to us all.
