Anthony,

Are there any additional individuals that you would like at the meeting? So far it is Kim and yourself from IESO.

Thanks,

Hi Kim,

Now that we've completed our first debt issue, I'd like to hold a lessons learned meeting between OPG and the IESO to discuss what worked well and opportunities for improvement. It would be good to share information in advance of the meeting. Given the next asset purchase is coming up in March, I thought a meeting at the end of this week would be ideal.

Let me know if you're open to this.
