Hi Sunita,

We have completed a draft design of the forms for DRP, FNDC and OESP.
Please review and confirm that the information being requested from LDCs meets your requirements.

Development of OESP form will commence next week and we are expecting that the four new tariff codes (T10-T13) will be available to LDC for their May submissions.

Development of FNDC and DRP forms will start mid-May therefore any changes to requirements need to be communicated to IESO by end of April.

Please let me know if you have any questions or concerns.

Regards,
