Hi Jeannette,

Do you by chance have a copy of the March cabinet document that the PC's have made public? They only released 6 pages, but I'm hoping to see the rest of the document in order to understand what it may say about the IESO and our role.

The PCs obtained a leaked Cabinet document showing that hydro prices will start increasing 6.5% annually in 4 years as a result of the GA smoothing. No mention of IESO.
