Proposed amendments to O. Reg. 429/04 (Adjustments Re: Section 25.33 of the Act) and O. Reg. 280/14 (IESO Eligible Investments and Borrowing) made under the Electricity Act, 1998 and proposed regulations under the Ontario Fair Hydro Plan Act, 2017 (OFHPA), if passed.

Energy has proposed legislation to refinance a portion of the Global Adjustment (GA) as contemplated in the OFHPA. Creation of new regulations under the proposed OFHPA would support the implementation of the refinancing of GA. Amendments to existing regulations (O. Reg. 429/04 and O. Reg. 280/14) would provide the Independent Electricity System Operator (IESO) and Local Distribution Companies (LDC) with the necessary authority related to their OFHPA activities.
