Jeannette,

Do you think this project will be completed in 2017 or you think it will go to 2018.

Thanks,
Anil

I will inform the sponsor for SDR. You are the sponsor for CMSC and EUC Replacement therefore you need to inform PMO.

Regards,
Denise.

Hi Jeannette,

As discussed, here are the 3 projects that I am currently working on:

1. **C-off CMSC Intertie** - VCR has been provided to Accenture for assessment. I am proposing to continue on this project until the TSD is completed at which time a new PM can be reassigned to the project. Allison

2. **DR Auction** - Project may be on hold. There is one outstanding charge remaining. Allison is currently assigned to provide support from the business.
3. **EUC Replacement** – I am working with IT to finalize the system specification for the Hydroelectric Prescribed Asset tool this week. The project has not been assigned a PM however a BA has been assigned. O’Neil
4. **SDR Refresh project** - I am currently a PSC member on this project. Please assign a replacement. Gordon
