

Based on the decision OEB issued early today ~~to~~, the submission of information from market participants to support the receipt of Ontario Fair Hydro Plan (OFHP) amount is delayed. In the interim until later June. As per this direction, the IESO ~~ask~~ask that submission of the RPP related information for the settlement month of May remain largely unchanged from past practice. As the forms have been modified to align with the Ontario Fair Hydro Act, please follow the instructions below to fill out the required information:

Commented [GD1]: Can we provide specifics of the OEB decision and what they decided?

Regulated Price Plan vs Market Price – Variance for Conventional Meters

Number of Regulated Consumers		100	
First Tier		Payments to IESO	Payments from IESO
RPP Variance	\$	1000	\$
RPP Fair Hydro Plan Discount	\$	0.01	\$
	kWh	100000	kWh
Second Tier		Payments to IESO	Payments from IESO
RPP Variance	\$		\$
RPP Fair Hydro Plan Discount	\$		\$
	kWh		kWh
			To Top

Figure 1: Sample Regulated Price Plan vs Market Price – Variance for Conventional Meters Submission

1. **RPP Variance and kWh:** Market participants should continue to fill out the original RPP variance \$ and kWh pair amounts using the tiered prices without the consideration of the proposed OFHP.
2. **RPP Fair Hydro Plan Discount:** Even though RPP Fair Hydro Plan Discount amounts are not required at this time, due to restrictions on the form, the new RPP Fair Hydro Plan Discount field cannot be left blank if the corresponding RPP variance \$ and kWh pair is filled out. Therefore, market participants should enter IESO request that \$0.01 to be entered in the RPP Fair Hydro Plan Discount field along with any applicable RPP variance \$ and kWh pair.

Ontario Fair Hydro Plan (OFHP) for Eligible Non-RPP Customers – LDC and USMP

The Ontario Fair Hydro Plan for Eligible Non-RPP Customers – LDC and USMP form should not be used at this time.

Formatted: Underline

Once the details of the OFHP submission are confirmed by the OEB, an information webinar will be held by the IESO to provide further clarity on the updated forms. The date and time of the webinar will be communicated ~~at a later~~ in June time.
