We need to change the wording for the OESP charge type - it should read it is not in effect yet as changes to Section 79.2 of the OEB Act relate to OESP rate assistance to be paid by provincial revenue will come into force on a day to be named by proclamation of the Lieutenant Governor which is expected just prior to deletion of the OESP variance account held by the IESO.

Zahir,

Please reassign this task to Abbas – he has assumed the OFHP charges tasks from me while I am on vacation.

Thank you,

Hi Cathryne,

Please send Reg Affairs (Adrian Pye) the phase 1 OFHP Charge codes (CT, description and tax treatment).
Please also ask Adrian to notify the OEB of these new CTs.
This is an agreed process that CB will initiate when new charge codes are created.

Thank you,
