Subject: RE: Assistance needed--Inquiry from Parket Gallant--monthly deferred GA amounts

The number has an asterisk beside it which leads to an explanation that it is the balance in the account inclusive of all variances related to RPP prior to July 2017. Bill 132 section 23 (2) on retrospective amounts:
“(2) For greater certainty, the regulation may provide for the IESO deferral to include an amount the was incurred by the IESO on or after May 1, 2017 and before the day this section comes into force. “

Importance: High

Hi Jeanette—below is an inquiry regarding the variance account under the FHP we received from Parker Gallant.

Can you please assist us with his questions?

For your reference, attached is the FAO's report as well as a summary of the findings in the report.

Thanks for your help with this.

John

Importance: High

Hi Mary—Alex forwarded to my voicemail.

Parker is looking to get clarity on why the monthly deferred GA amounts under the Fair Hydro Plan amounted to \$394.7 million in July?

What made up this payment? Can we provide a breakdown?

He said it is abnormally high amount for one month considering that the FAO landed on a yearly sum of \$2.5 billion.

He'd like this information by email tomorrow.
