Jeannette,

That is the plan to have a new MP ID for the adjustment account but it is not implemented as yet. We were hoping to have it in time but ran into a bit of a delay with IT and Market Registration as they needed time to do the analysis before implementing.

The next time around this should be in place.

Is there any way we can get MP #3 for the adjustment account? I thought we agreed to separate out the Fair Hydro from other costs?

Olga,

Please be advised that the Adjustment Account Surplus Disbursement amount is \$12,800,000.00. This amount will be distributed to consumer loads and exporters that were active between Oct. 1/17 and Mar. 31/18 on a per unit basis. The balancing amount will be applied under CT 9920 to MP #2, "IESO Settlement."

Please call if you have any questions.
