Hi John. I attach drafts of the redacted board resolution (redacted in that I removed the references to the TD Bank Line of Credit) and incumbency certificate relating to the above OFA credit facilities that I would like to provide to OFA in draft form within the next day or so in order to confirm they are acceptable.

The format of both documents is the same as we used for the OEFC financing agreement amendments completed at the end of April.

The actual text of the board resolution is drawn directly from the attachment to Anthony Martinello's email sent to you on June 5 at 6:31 pm. I assume that the Audit Committee and Board did not amend that language, but would need you to confirm that.

Let me know if you have any questions.
Thanks,
Victor
