Hi Margaret,

In addition to the risk update that Alexander just provided you, I will also be providing additional materials (AIS, memo, resolution and numerous attachments). I still need content from Kim so likely will get you the additional materials tomorrow.

Michael,

I was under the impression from John that I would be receiving material from you after today's ELT. Can I disregard the above which I just received from Alexander DeAngelis?

Thank you.

Margaret

Importance: High

Margaret,

Please find attached the AIS and memo related to the risk update for the Ontario Fair Hydro Plan item on the special board meeting for November 22.

Thank you,
