No

It should be "Fair Hydro implementation Update" list the folks on the memo. Under consent. Information. If Kim was not listed on the memo put her name at start of list of presenters

Thx

Is Michael's memo an Information Item or Decision Item? I'm calling it Fair Hydro Security and putting it against Tim and Peter's names – correct?

Marg:

Left you a vmail re Board books. Please add the memo from Michael to the Board agenda as a consent item after cap and trade. As per vmail if it is necessary to avoid structuring entire book add it as a sub tab with a separate heading. AIS to follow tomorrow as well as another risk update on Fair Hydro Implementation. Not certain where that will go. Once we have Michael's memo in we should post and advise the Board that some updates will be forthcoming.

As to the AC and HRGC, I have quickly reviewed AC. Will review HRGC at 5. Please let Kim and Elizabeth know that I will only review at 5 and if They want it to be posted this afternoon, I will not have reviewed.

thx for all your help.

John
