Attachments: AG Fair Hydro Plan AG report -- all employee email_Aug31.docx

I one additional change to this email. It was a bit heavy on the FHP at the start, so I moved it further back. The AGs comments in the Public Accounts aren't really focused on the FHP at this point, so it may be a bit strange to lead with FHP on the internal email.

If there aren't any further concerns about it Kate can flip it to Peter with a cc to Kim and Terry.

Terry,

Please find attached the updated communication to employees regarding the AG's comments on the IESO's change of accounting policy.

Let us know if you have any comments.
